

CVHS and Saddleback College Running Start Early College Program

WE ARE 

We Are Excited To Offer 3 Innovative Pathways

1. The **3 year Automotive Technology Pathway** is designed for students to begin in 9th or 10th grade.
2. The **2 Year Business Pathway** is designed for students to start in 11th grade.
3. The **2 Year Computer Information Management (CIM) Pathway** is also designed for students to start in 11th grade.

Students may only select 1 pathway.

3 Year Automotive Technology Pathway

The Auto pathway is for students interested in pursuing a career or furthering their education in the Automotive field of study. Students in this pathway receive a combination of lectures and hands on practical experience with the latest equipment and technology. Students who complete this early college program will receive 19.5 college units transferable to a Cal State University and may continue their education in Automotive Technology at Saddleback College to earn their Associates Degree.

Automotive Technology Pathway Course Track

3 Year Automotive Technology Pathway

	Semester	Course Title	Course #	Units	Transferability
First Year	Fall	Automotive Fundamentals (Articulation)**	AUTO 100	3	
	Fall	Learning and Study Techniques (On-line)	COUN 61	1.5	CSU/UC
	Spring	Automotive Electrical Systems	AUTO 101	3	CSU
Second Year	Fall	Automotive Engine Performance-Fuel and Emission Systems	AUTO 103	3	CSU
	Spring	Automotive Engine Performance-Electronics and Ignition	AUTO 102	3	CSU
Third Year	Fall	Automotive Suspension and Alignment	AUTO 106A	3	CSU
	Spring	Automotive Brake Systems	AUTO 106B	3	CSU

Outcomes: 19.5 College Units

*Pathways are subject to change, please meet with your Academic Advisor for most current updates

** Credit by Exam to meet the articulation requirements

2 Year Business Pathway

Students pursuing the Business Pathway will gain exposure to many aspects of the business world. They will explore business communications, human relations, marketing and business law. This will allow students to determine an area of focus for continued education. Students who complete this pathway will receive 23.5 college credits transferable to a Cal State University (7.5 to a UC) and a Business Certificate of Achievement. They may chose to continue their education and obtain an Associates Degree form Saddleback College or transfer their credits to a 4-year university.

2 Year Business Pathway Course Track

	Semester	Course Title	Course #	Units	Transferability
First Year	Fall	Intro to Business	BUS 1	3	CSU/UC
	Fall	Learning and Study Techniques/ Workplace Success Skills	COUN 61/ BUS 196	1.5 1	CSU/UC CSU
	Spring	Oral Business Communications	BUS 102	3	CSU
	Spring	Marketing	BUS135	3	CSU
Second Year	Fall	Business English	BUS 103	3	CSU
	Fall	Human Relations in Business	BUS 125	3	CSU
	Spring	Business Communication	BUS 104	3	CSU
	Spring	Legal Environment and Business Law	BUS 13	3	CSU/UC

Outcomes: 23.5 College Units and a Business Certificate of Achievement

*Pathways are subject to change, please meet with your Academic Advisor for most current updates

2 Year Computer Information Management (CIM) Pathway

The CIM pathway is designed for students interested in Cybersecurity and information security management. Students will explore a wide range of security measures from Networks, to firewalls, to wireless routers and a whole lot more. Students will also be writing code and gain experience with different operating systems. Students who finish this pathway will earn 22.5 transferable college credits to a Cal State University (7.5 units to a UC) and will earn a Cybersecurity/Information Security Analyst Certificate of Achievement. Completion of this pathway will give your student options to enter the workforce or continue their education in computer information management.

2 Year CIM Pathway Course Track

	Semester	Course Title	Course #	Units	Transferability
First Year	Fall	Programming with PYTHON	CIMP 8A	3	CSU/UC
	Fall	Learning and Study Techniques	COUN 61	1.5	CSU/UC
	Spring	Introduction to Information Systems	CIM 10	3	CSU/UC
	Spring	Information and Communication Technology Essentials CompTIA A+	CIMN 110	3	CSU
Second Year	Fall	Information and Communication Technology Essentials CompTIA Networks+	CIMN 120	3	CSU
	Fall	Introduction to Networking: CompTIA Security+	CIMS 130	3	CSU
	Spring	Cybersecurity Analysis: CYSA+	CIMS 155	3	CSU
	Spring	Linux	CIMN 130	3	CSU

Outcomes: 22.5 College Units and CIM Cybersecurity/Information Security Analyst Certificate of Achievement

*Pathways are subject to change, please meet with your Academic Advisor for most current updates

Benefits To Dual Enrollment

- Seamless pathway from high school to community college for career technical education or preparation for transfer
- Helps high school pupils achieve college and career readiness
- About 10% more students completed post-secondary degrees compared with non-Early College peers
- Save time and Money – Courses can be taken during the student's school day and are free
- College Credit Guarantee – Courses are college courses and credit is not dependent on colleges accepting AP scores. Students can:
- Make significant progress toward completing the CSU and UC General Education Pattern (IGETC).
- Earn credits toward an Associate in Arts Degree.
- Earn transferable college units.
- Being a College student in high school - use Saddleback's tutorial, college library, labs, and other facilities and equipment.

Important To Know

- These classes start an official and permanent college transcript.
- Students in The CVHS and Saddleback College Running Start Early College Program are dual enrolled and will receive both high school and college credit. Grades will appear on both high school and college transcripts. Classes will be taken online or on our CVHS campus during the bell schedule.
- Due to FERPA Law, parents will not have access to their student's progress in these classes. Saddleback is bound by this law with no exceptions.
- Saddleback College has their own Canvas where they conduct class and communicate. These classes WILL NOT appear in your CVHS Canvas. Students should check their MySite and SBC Canvas regularly.
- All pathways are subject to change.
- Post-Secondary Plans: College programs have unique requirements and taking college courses in high school may not be as beneficial for some students as taking advanced placement courses.

Still Have Questions?

Who do I contact?

If you have have questions about the Saddleback College Running Start Early College Program please reach out to Mr. Ochwat aochwat@capousd.org
